

Webrecruit ATS Feature Sheet

Search by Candidate ID

For clients utilising Webrecruit ATS for anonymised Candidate Screening, we have introduced the option for users to search for candidates by their unique Candidate ID.

TOTAL APPLICANTS	PROSPECTS	REFERRALS	NEW APPLICANTS	SHORTLIST	POSSIBLE	INTERVIEW	OFFERED	HIRE	REJECTED	WITHDRAWN

Posted Date: 27 August 2024 | Closing Date: 16 January 2025

HR and Super Users will be able to search for candidates using any of the following;

- Candidate name
- Candidate email address
- Candidate ID

With anonymisation enabled, Hiring Managers will only be able to search against the Candidate ID, retaining the anonymisation you enjoy whilst making it easier to communicate with each other and ensure recruitment is kept up to date.
